

1 Corinthians 7

MARRIAGE THAT HONOURS GOD

MARRIAGE THAT HONOURS GOD

Cicero (Roman philosopher)

Is there anyone who thinks that youth should be forbidden affairs with courtesans, but his view is contrary to the licence of this age, but also to custom and concession of our ancestors ...when was that which was allowed not allowed”

Commitment to be content in our calling

Your calling to Christ

eclipses your social situation

but also *transforms* your situation

so that you can serve Christ within it.

1. Flee from sin
2. Be content
3. Seek devotion to the Lord above all else

Commitment to be content in our calling

Commitment to marriage and sexual union

Commitment to be content in our calling

Commitment to marriage and sexual union

Commitment to Christ above all else
